

Welcome to:

Morter HealthCenter

Our mission at Morter HealthCenter is simple. We exist to 'teach you to live well.' With this mission in mind and our commitment to getting you to feel better, we invite you to become an active partner in your progress to improved health and overall well being. A vital step in this process is education. We are excited to offer to our new patients, family, and friends of the practice, foundational information focused on lifestyle instruction that enhances your work with our clinic.

Be our guest in our reception area to attend one of the following classes:

Every Tuesday of each month at 7:00pm
or
The 3rd Thursday of each month at 12:30pm

Morter HealthCenter presents:

“An Evening with B.E.S.T.”

Join us for an educational experience designed with you in mind. The class is free of charge. In this session you will learn:

- About [Bio Energetic Synchronization Technique](#) that is the unique and extraordinarily effective healing modality utilized by our doctors.
- The [six essentials](#) for life that are choices you make for a vibrant, healthy and pain free life.
- What you can do at home to manage stress, [get better faster](#) and [stay better longer](#).

Please reserve your seat with our front office.
